06F - HUFFMAN MASON

Grammar in Use Intermediate is a highly successful grammar text known for its clear, concise explanations and innovative format. The Grammar in Use Intermediate Third edition Workbook provides students with further opportunities to practice difficult grammar points and consolidate their understanding of related topics covered in Grammar in Use Intermediate Third edition. It offers a wide range of challenging activities and opportunities to work with grammar structures in meaningful contexts. This edition, without answers, is ideal for classroom use.

Advanced English in a Nutshell is a short, detail free book that sheds light on the highlights and major grammatical points in

a clear and effective manner. Getting lost in the endless variations of grammatical rules can be extremely distracting and most of the time disappointing. For this purpose, the book is not designed to dig deep into the limitless details of grammatical rules rather it is a kind of a review to the most necessary forms and structures that students need to use in academic tests in order to get high scores. In all tests candidates' performance is assessed according to the type of grammatical structures they are using while they are speaking or writing. The candidate who sticks to present simple and continuous forms, for instance, is not expected to get a high score in terms of structure because of the use of simple grammatical forms. Thus, it does make sense for candidates to use a

variety of complex and simple structures to give the impression that they have a good mastery and command of the language.

This book is the culmination of educational know-how and systematic grammar organization acquired by the three authors from their experience actually teaching Korean to foreigners in the classroom. In focusing strictly on Korean grammar, this series represents a departure from most current integrated teaching materials, allowing foreign learners to more easily concentrate on grammar in their study of Korean. The authors have included real dialogues and illustrations to make the study of Korean more interesting, especially for those students who have heretofore felt Korean grammar to be difficult. Further, this series

equally serves as a general Korean grammar reference that can be used by Korean language instructors both in Korea and abroad who regularly experience the difficulty of teaching Korean grammar first-hand. **MP3(CD)** www.darakwon.co.kr Contents Preface How to Use This Book Table of Contents ■ Introduction to the Korean Language 1. This is an adaptation of Essential Grammar in Use for Thai elementary learners.

Advanced Grammar is a new, advanced-level grammar course that prepares English language learners for academic work. Its unique approach helps students master written grammar with the use of authentic academic sources and prepares them to read extensive academic texts, write and present using academic language, and process complex academic content. Advanced Grammar focuses on the academic forms and uses of grammatical structures without oversimplifying either the content or the grammar structures. This approach is made possible by the authentic textbook content upon which each chapter is based. Features In-depth

exposure to authentic academic language via textbook excerpts. Students become accustomed to and use authentic academic language as it is spoken and written. Rigorous and authentic readings from a variety of academic disciplines. Students are exposed to rich content that illustrates examples of grammar in academic discourse. Contextualized grammar presented in authentic academic texts. Students broaden their knowledge of grammar in real academic contexts from a variety of academic disciplines. Comprehensive range of advanced grammar structures presented in clear, accessible charts. Students are exposed to complex meanings and learn to use grammar in a manner more similar to that of native speakers. Varied range of inductive and deductive exercises. Students practice and understand the target grammar using authentic textbook content. Open-ended, productive tasks. Students produce higher-level spoken and written discourse, incorporating the grammar they have learned. Discipline-specific and universal academic vocabulary. Students learn meanings and develop knowledge of vocabulary inductively and deductively.

Introducing a series of supplemental educational workbooks that explore language arts topics in Phonics, Writing: Spelling and Grammar, and Vocabulary, brought to you by the World's Greatest Word Game--- Mad Libs! Learning is ADJECTIVE, and learning with Mad Libs is double the fun! With material that aligns with national Common Core Standards and is vetted by a top educational consultant, this workbook is designed to reinforce language arts lessons introduced in the classroom in an accessible way for young learners everywhere. Reluctant learners will love the interactive activities within the workbook, and fans of Mad Libs will be delighted to play their favorite fill-in-the-blank word game at the end of each phonics, writing, and vocabulary lesson. Each Mad Libs exercise is crafted to reinforce subjects and themes taught in the lessons explored throughout the workbook--this learning through play approach to learning makes the educational material more engaging, and allows young learners to apply the skills they've been practicing in an exciting, and creative way.
