I love the Biozone books!!! They are very illustrative, educating, and make you want to hold and read the book as often as possible. Although not all the AP Biology material that you need to know for the exam is extensively covered in the book, there are many specific biological examples of important concepts that aren't taught in class, simply because there are so many of them.

BIOZONE produces high quality A Level biology resources for AQA, OCR, Edexcel and International Baccalaureate. FREE access to more than 1000 biology links, downloadable free content and a variety of resources to aid both teacher and students.
