ACC - ALYSON WARD

New Age. The chakras are thought to vitalise the physical body and to be associated with interactions of a physical, emotional and mental nature. They are considered loci of life energy or prana (which New Age belief equates with shakti, qi in Chinese, ki in Japanese, koach-ha-guf in Hebrew, bios in Greek,...

The Human Energy Field (HEF), the Human Aura, is an energy field that surrounds human beings. Everyone has this energy field. It is a manifestation of energy, a luminous body, surrounding our physical body from all sides, from above and from below. The aura is directly connected to the energy vortices of the body, the seven chakras.

The major concept of this book: physical, emotional and mental diseases are associated with specific imbalances or disturbances in the chakras and human energy fields.

The chakras are formed at the junction of three connected energy shafts that ascend the spine, one on each side of the central channel, the Shushumna. Chakras both take up and collect prana (life force energy) and transform and pass on energy.

The seven chakras are the main energy centers of the body. You've probably heard people talk about "unblocking" their chakras, which refers to the idea that when all of our chakras are open, energy can run through them freely, and harmony exists between the physical body, mind, and spirit.

11th chakra - Located outside of the human body, it is said to be accessible through the hands and feet. It makes up and energy field that connects of human sphere of influence to the supernatural. Shamans can use this chakra's dimension to produce magic and influence the physical with supernatural powers.

Guide To The Chakras For Beginners And Healing Practitioners

The Human Energy System - Your Aura, Chakras & Subtle Bodies

Chakras are energy centers, or portals in the field. Located along the central channel of the body from the base of the spine to the top of the head, they are conceived of as whirling, wheel-like vortices through which universal/cosmic energy flows into and out of a person.

On a physical level, of course the answer is the throat, but on an energetic level, this energy actually comes from your 5th chakra. This chakra lets you speak your truth with clarity. Resting right above the heart, the throat chakra is connected to the compassion and love you have for yourself and others.

The Human Energy Field Human Aura - Chakra Anatomy

The seven chakras are part of the human multidimensional anatomy and along with other energy systems (nadis and meridians), help to integrate the aura with the physical body. The concept of chakras comes from Hinduism and the first source of knowledge comes from sacred writings - Upanishads.

The 7 Chakras For Beginners Root Chakra | Human Energy Flow The Human Chakra System - Rick Richards

The Root Chakra and its meaning for the human body The Root

Chakra or sometimes referred to as the Red Chakra is the first primary chakra of the human body. It is located at the base of the spine at the bottom of the central channel and comprises the counterpart to the crown chakra, which is located at the top of the central channel.

Chakra is a Sanskrit word meaning wheel of light. Chakras act like energy transformers, either stepping up the energy in frequency or stepping it down. There are seven main chakras, (top of the head, middle of forehead, throat, heart, solar plexus, lower belly and between the legs).

The 7 Chakras are the energy centres in our body in which energy flows through. The word 'chakra' is derived from the sanskrit word meaning 'wheel'. Literally translated from the Hindi it means 'Wheel of spinning Energy'. A chakra is like a whirling, vortex-like, powerhouse of energy.

Energy flows through the energy field through fine channels, or nadis, which are themselves composed of energy. Where many nadis cross, energy centers (or "chakras") are formed. As major "hubs" of...
