Esearch.com is an all inclusive resource for online data collection supporting market research providing an exclusive panel of hundreds of thousands of Internet users available for participation in online studies with demographic information available on each, providing research data collection via online questionnaires.

#### Public Intellectuals Against the Neoliberal University

“The University is a critical institution or it is nothing.” – Stuart Hall I want to begin with the words of the late African-American poet, Audre Lourde, who was in her time a formidable writer, educator, feminist, gay rights activist and public intellectual who displayed a relentless courage in addressing the injustices she witnessed all around her.
