Become a World-Shaper. The times we are living in are scary, to say the least. The world is unstable. Global politics are volatile. The rate of change we now experience is spiraling out of control. We're uncertain about what will happen tomorrow, and we feel helpless to do anything about it. Yet what we are facing isn't new. In the past, there have been many wars. There have been threats and acts of terrorism. History is spotted with violent episodes of unimaginable carnage and horror. And what did people do about them? The only

thing they could do: they prayed! Discover with Derek Prince how your prayers and fasting can change the world. Using experiences from his own life, he illustrates how you can make a difference. You don't have to fight. You don't have to hold high political position. You don't have to be a certain age. You don't even have to have power, money, or influence on earth. What is important is your influence in heaven. Learn to touch the heart of God through prayer—prayer that will change the world!

"True religion confronts earth with heaven and brings eternity to bear upon time," says the author in his preface." The mes-

senger of Christ, though he speaks from God, must also, as the Quakers used to say 'speak to the condition' of his hearers; otherwise he will speak a language known only to himself. His message must be not only timeless but timely. He must speak to his own generation. "The message of this book is indeed both timeless and timely. Tozer is primarily concerned with the loss of the concept of 'majesty' from the popular mind and more importantly in the thinking of the church. He sees the church as having surrendered her once lofty concept of God - not deliberately, but little by little and without her knowledge. With this

comes a further loss of religious awe and a sense of the divine presence, of an appropriate spirit of worship and of our ability to withdraw inwardly to meet God in adoring silence." Tozer attempts to address this problem, to go back to the causes of the decline and to understand and correct the errors that have given rise to our loss of a sense of the holy. "It is impossible to keep our moral practices sound and our inward attitudes right while our idea of God is erroneous or inadequate" he tells us.

God's people were never meant to blend in. Instead, we're called to stand out from the crowd, and become a beacon of hope. But nothing dims our light more than conformity, when voices that once proclaimed truth begin to quietly yield to a noisy world. Based on the books of 2 Kings and 2 Chronicles, this study offers an eye-opening look at the high price of conformity, and shares how we can stay distinct from our surroundings. Part of Dr. Warren W. Wiersbe's best-selling "BE" commentary series, BE Distinct has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe examines how we can be salt and light to a world in des-

perate need of truth. You'll be encouraged to embrace your unique identity in Christ, and be challenged to rise above the world around you.

Pete Greig is a worldwide authority and the face of a generation when it comes to prayer. One of the founders of the 24-7 prayer movement, he has seen, experienced, and chronicled amazing works of God in the world. While you might imagine him to be puffed up, Pete Greig is entirely the opposite. He is enchanting, down-to-earth, friendly, and most of all, very normal—and yet he tells preposterous tales about prayer (and they're true). He is basically a regular dude who loves to talk with God. How to Pray is written to evoke a passion for prayer in everyone—the committed follower of Jesus as well as the skeptic and the scared. The enormous blessing of How to Pray is that it is accessible, full of surprising stories of answered prayer, and tremendously engaging. The basic idea is that prayer is a conversation between you and God. Pete Greig demystifies and reenchants prayer, helping you to find prayer achievable and enjoyable, and ultimately life-giving and life-changing. How to Pray is designed to be used together

with The Prayer Course (a free video curriculum associated with the Alpha course), making it useful for personal and group or church-wide reading.

Faith's Checkbook, written by world-renowned British pastor Charles H. Spurgeon, provides daily deposits of God's promises into your personal bank of faith. Spurgeon urges you to view each Bible promise as a check written by God that can be cashed by personally endorsing it and receiving the gift it represents. Cash in on the bountiful store of blessings when you withdraw daily from the Bank of Faith. This captivating eBook devotional offers inspiration and delight in our Lord, and it encourages readers to take God's promises to heart in just a few minutes of reading each day. Each verse is followed by a brief thought or application, making this eBook ideal for personal or family devotions wherever you may go. The Table of Contents is linked so you can conveniently find your place where you left off. If you skip a day, no problem, you can easily begin on the next day's reading. "A promise from God may very instructively be compared to a check payable to order," wrote Spurgeon.

“It is given to the believer with the view of bestowing upon him some good thing. It is not meant that he should read it over comfortably, and then have done with it. No, he is to treat the promise as a reality, as a man treats a check.”

The purpose of these foundation to Christian doctrines is to introduce new believers to the evangelical Christian Faith. The studies are interdenominational in nature and brief in content. The theology is conservative and evangelical, reflecting those core teachings held dear by the Bible believing church through the centuries. Denominational distinctives have been avoided.

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate stu-

dents, and independent scholars. The Age of Enlightenment profoundly enriched religious and philosophical understanding and continues to influence present-day thinking. Works collected here include masterpieces by David Hume, Immanuel Kant, and Jean-Jacques Rousseau, as well as religious sermons and moral debates on the issues of the day, such as the slave trade. The Age of Reason saw conflict between Protestantism and Catholicism transformed into one between faith and logic -- a debate that continues in the twenty-first century. ++++ The below data was compiled from various identification fields in the bibliographic record of this title. Every circumstance connected with the life of Christ is deeply interesting to the Christian mind. Wherever we behold our Saviour, he is well worthy of our notice. This sermon preached by Charles Spurgeon based on Matthew 28: 6 is to invite

reflection on the life and death of our Savior.

Charles Haddon Spurgeon (19 June 1834 – 31 January 1892) was a British Particular Baptist preacher who remains highly influential among Christians of different denominations, among whom he is still known as the "Prince of Preachers". Spurgeon was to 19th century England what D. L Moody was to America. Although Spurgeon never attended theological school, by the age of twenty-one he was the most popular preacher in London. A strong figure in the Reformed Baptist tradition, defending the Church in agreement with the 1689 London Baptist Confession of Faith understanding, and opposing the liberal and pragmatic theological tendencies in the Church of his day, Spurgeon preached to around 10,000,000 people, often up to 10 times each week at different places. Spurgeon was the pastor of the congregation of the New Park Street Chapel (later the Metropolitan Tabernacle) in London for 38 years, despite the fact he was part of several controversies with the Baptist Union of Great Britain and later had to leave the denomination. In 1857, he start-

ed a charity organization called Spurgeon's which now works globally, and he also founded Spurgeon's College, which was named after him posthumously. Spurgeon was a prolific author of many types of works, including sermons, an autobiography, commentaries, books on prayer, devotionals, magazines, poetry, hymns and more.

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

Another quality eBook from Chapel Library. Charles H. Spurgeon (1834-1892) urges us to look closely at our Saviour's description of prayer in the text of Mark 11:24 and discern prayer's essential qualities. We are directed to earnestly desire the definite objects we plead for, believing that we will receive them, and immediately acting in a manner that demonstrates we have received them. Spurgeon next directs the reader to avoid an empty, merely habitual form of prayer, and seek instead

to obtain that new life which allows the cultivation and continuance of the true spirit of prayer. Finally, Spurgeon directs the reader to look up and cry out to God for forgiveness for indifference toward this mighty weapon. May we rejoice, for the Master is awake and will give us what we need.

"If you are in a position of positive influence, if you exercise leadership in any way, your faith in God gives you a power—a hidden power—that will allow you to make an enduring difference in the lives of other people and organizations. But how does that power work?" So says Mel Lawrenz in this fresh look at leadership which offers practical and biblical guidance to believers who want to have a deep influence and who want to know: What is the proper use of authority and power? Where do good ideas come from? How can we deal with failure? What does God expect of us? Drawing from more than thirty years of experience in pastoral ministry, Lawrenz writes for Christians in any position of influence. This book provides a new baseline for 21st century Christian leadership, addressing issues such as:

- building integrity
- seizing opportunities

- exploring new horizons
- speaking into crises
- receiving power
- accepting authority
- promoting truth
- managing expectations
- dealing with criticism

Using real-life examples, key Scripture passages, and history, Lawrenz shows that when believers align their responsibility to lead with the teaching of Jesus and the work of God's Spirit, their spiritual influence will have integrity and enduring effectiveness. "Lawrenz gives us hope that the leadership pendulum which has swung from 'over-spiritualized' to 'de-spiritualized' in recent generations may have finally come to rest where it always belonged—upon Jesus Christ." - Skye Jethani, Senior Editor, Leadership Journal, from the foreword "It is exciting to think about believers at every level of society rising to a new call to exercise powerful spiritual influence. In his newest book Mel Lawrenz has given us all a new baseline for leadership that is personal, wise, and spiritual. It spans the generations and reaches across cultures. Just think what will happen if believers in positions of influence tie into the wisdom and the power that comes from God in order to bring restoration in our broken world!" - Mark Batterson, Lead Pastor, National Com-

munity Church in Washington, D.C.

Verse-by-Verse Commentary on Leviticus You Shall Be Holy God told Israel some 20 times in Leviticus, "You shall be holy." This book tells how God wanted Israel to be holy, and what they were to do when they fell short of His holiness. Through the sacrifices, the priesthood, and the good law of God, the Lord made Israel more like their holy God - and points us to Jesus, God's ultimate Holy One. David Guzik is widely known for his popular online, verse by verse commentary on the entire Bible, used by many thousands of pastors, teachers, and everyday Christians worldwide. "God the Reason is a remarkable work, presenting theology proper-the knowledge of God-in all of its transcendent importance and breadth. It does so in a way that is accessible, clear and spiritually invigorating. If you are thirsting for a deeper and more personal knowledge of the Lord of the universe, drink deeply of this study. The divine perfections celebrated here will bless your life, stir your reason and ground your faith on an unmovable foundation." -- Dr. Peter A. Lillback, President, Westminster

Theological Seminary. Accessible to a wide Christian audience, simple illustrations display the impossibility of life and the universe without the God of Scripture. Indeed, every scientific discovery declares the truth of Christian faith. And while atheists would need infinite knowledge to know the infinite God does not exist, they deny Him even as He feeds and sustains them in a marvelous display of His power and genius. Moreover, God's infinite excellence gives comfort and assurance in the face of great evil, suffering, and mystery. His perfections provide the ultimate source and guide for knowledge about Him and the universe He created, and thrill the soul of the child adopted into His family in Christ. To know ourselves we must know the God who made us. To rightly live in the world, we must know Him who owns, orders, and sustains it. In our relationship to the Source and explanation of all things we have life, meaning, and purpose, while our trivial existence gains importance as part of God's eternal purpose.

Derek Prince answers your questions about faith in this resource for every Christian who wants to receive the promises of a faith-filled life.

To answer the title question effectively requires more than the citing of a few texts;

we must first acknowledge that the way to the answer is more difficult than it appears and recognize that the answer may be less straightforward than many would like. The author raises some fascinating yet vexing questions: What is worship? Is the fact that worship is offered to God (or a god) what defines him (or her) as "G/god?" What does the act of worship actually involve? The conviction that God exalted Jesus to his right hand obviously is central to Christian recognition of the divine status of Jesus. But what did that mean for the first Christians as they sought to reconcile God's status and that of the human Jesus? Perhaps the worship of Jesus was not an alternative to worship of God but another way of worshiping God. The questions are challenging but readers are ably guided by James Dunn, one of the world's top New Testament scholars.

Each chapter is summed up in its contents, each paragraph reduced to its proper heads, the sense given, and largely illustrated with practical remarks and observations.

How do we know the Bible is God's Word? What is sin and where did it come from? How is Jesus fully God and fully man? What

are spiritual gifts? When and how will Christ return? If you've asked questions like these, then "systematic theology" is no abstract term. It's an approach to finding answers every Christian needs to know. Bible Doctrine takes a highly commended upper-level textbook on systematic theology and makes it accessible to the average reader. Abridged from Wayne Grudem's award-winning Systematic Theology, Bible Doctrine covers the same essentials of the faith, giving you a firm grasp on seven key topics: The Doctrine of the Word of God The Doctrine of God The Doctrine of Man The Doctrine of Christ The Doctrine of the Application of Redemption The Doctrine of the Church The Doctrine of the Future Like Systematic Theology, this book is marked by its clarity, its strong scriptural emphasis, its thoroughness in scope and detail, and its treatment of such timely topics as spiritual warfare and the gifts of the Spirit. But you don't need to have had several years of Bible school to reap the full benefits of Bible Doctrine. It's easy to understand—and it's packed with solid, biblical answers to your most important questions.

The author of *Desiring God* reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Includes a study guide for individual and small-group use. Isn't it true—we really don't know someone until we understand what makes that person happy? And so it is with God! What does bring delight to the happiest Being in the universe? John Piper writes, that it's only when we know what makes God glad that we'll know the greatness of His glory. Therefore, we must comprehend "the pleasures of God." Unlike so much of what is written today, this is not a book about us. It is about the One we were made for—God Himself. In this theological masterpiece—chosen by *World Magazine* as one of the 20th Century's top 100 books, John Piper reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Then we will be able to drink deeply—and satisfyingly—from the only well that offers living water. What followers of Jesus need now, more than anything else, is to know and love—behold and embrace—the great, glorious, sovereign, happy God of the Bible. "This is a unique and precious book that everybody should read more than on-

ce." —J.I. PACKER, Regent College, Vancouver, British Columbia

Get to know the theologian and religious thinker whose radical reinvention of the Christian faith sparked the Protestant Reformation. In *A Treatise on Good Works*, Martin Luther expounds on his contention that although Christlike behavior is important, believers are redeemed ultimately through God's grace. This primer is a great way to deepen your understanding of the Christian faith and its turbulent theological history.

Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God's wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon's conclusion. Edwards puts it this way, "And now you have an extraordinary opportunity, a day wherein Christ

has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners." While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, "Before the sermon was done there was a great moaning and crying through the whole House, 'what shall I do to be saved; oh, I am going to hell, etc.'" The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, "the amazing and astonishing power of God" was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

In the 4th-century, this set of 15 homilies on *Philippians* was delivered by the great preacher of Constantinople, St. John Chrysostom (347 - 407 AD). Together these sermons give a complete verse-by-verse commentary of the letter and provide the old-

est existing commentary available on Philippians. The epistle to the Philippians was composed by St. Paul, and his fellow-labourer St. Timothy, and is addressed to the Christian church in Philippi, Greece. Paul and Silas visited Philippi during Paul's second missionary journey (around 50 AD), where, according to the Acts of the Apostles, Paul and Silas were charged with disturbing the city. These homilies are taken from: Saint Chrysostom: Homilies on Galatians, Philippians, Colossians, Thessalonians, Timothy, Titus, and Philemon, New York: Charles Scribner's Sons, 1889. Philip Schaff (1819-1893); Gross D. D. Alexander (1852-1915); John A. D. D. Broadus (1827-1895). The original Bible references and footnotes are preserved. Illustrations have also been added of the various events and figures mentioned in the text.

This completely new typeset of the monumental 1957 classic contains an extensive historical and theological introduction and detailed notations by George R. Knight, professor of church history at Andrews University.; Originally produced by the Ministerial Association of the General Conference of SDAs, Questions on Doctrine was widely acclaimed and heavily distributed in the late 1950s and early 1960s as a forthright answer to questions from evangelicals about key elements of Adventist doctrine. Controversy regarding the book's position on the nature of Christ and the atonement soon stopped its circulation.; Intended as a complete reference on the book itself, this new edition faithfully reproduces the original text of Questions on Doctrine, with in-text indicators of the original pagings. It includes later important documents that bring the work up to date. The original bibliography is followed by an updated selected bibliography. Commentary on various historical or bibliographic topics is in-

cluded in new footnotes throughout the text, all while preserving the reading integrity of the original edition.; George Knight's introductory essays provide the background for how the book came about and describe the interaction of the principal players involved in the dispute about a small section of content that shelved this

classic work for more than a generation.; This new edition of Question on Doctrine beautifully preserves this outstanding and winsome work of Adventist apologetics to future generations of scholars, laypersons, and critics. It is an essential element of every Adventist library. In this lively and accessible study, David

Lyon explores the relationship between religion and postmodernity, through the central metaphor of 'Jesus in Disneyland.'

The Kingdom, Power Glory challenges Christians to become "overcomers" by laying before them the magnificent future they can inherit in the Millennial Kingdom, if they are faithful and obedient here.
