LEGO Star Wars: Small Scenes from a Big Galaxy offers a unique look into the world of Star Wars, from the lens of Vesa Lehtimäki. When I pre-ordered this book a few months ago, I thought it would be a small-ish picture book that was maybe 30 pages long (and I would have been happy with that considering the low price tag), but I was pleased to find that it is a full-sized coffee table book containing over 170 pages filled with beautiful photographs and wonderful descriptions!
