Created by Robert C. Cooper, Brad Wright. With Joe Flanigan, Rachel Luttrell, David Hewlett, Jason Momoa. An international team of scientists and military personnel discover a Stargate network in the Pegasus Galaxy and come face-to-face with a new, powerful enemy, The Wraith.

The Avenger is a Lantean cruiser, renamed Pride of the Genii by its current owners, the Genii. (SGA: "Legacy") At some point in the Lantean-Wraith war, the Avenger

suffered heavy damage in battle with enough hull breaches to force a crash on an uninhabited planet. The crew either suffered no casualties or the survivors took them with them when they left through the planet's Stargate as no ...

When the Stargate franchise went off the air in 2011, at least one star wasn't content to let it lie — and almost succeeded in bringing it back to life. Atlantis star Joe Flanigan made a push to rescue the brand from MGM's pending bankruptcy, but the deal apparently fell through following a change in leadership at the studio.
