### Storms Of Silence

"Storms of Silence" is more about Joe Simpson's observations regarding how tourism has affected the countries where the mountaineers flock, sporting their high-tech gear and expensive gadgets. I was interested to read about the history of the remote places where Joe Simpson travelled, he described the disasters, political uprisings and human atrocities in a reverant manner but with graphic detail.

**Storms of Silence by Joe Simpson - Goodreads**

Storms Of Silence ends with the trauma of reliving, in quite unexpected circumstances, the dance with death he had encountered before and recorded in his previous book Touching the Void. Storms Of Silence will be eagerly greeted by anyone who has read Simpson's earlier works such as This Game of Ghosts.

In Storms of Silence Joe Simpson brings up to date, in the vivid anecdotal style of This Game of Ghosts, his thoughtful, funny and moving account of his maverick life as a mountaineer. But behind...

**Storms of Silence - Joe Simpson - Google Books**

Although it's interspersed with mountain climbing in typical Simpson style -- stories well told --, what really shines through are Simpson's views on the Tibetan peoples' plight, something he feels strongly about. I was deeply touched by Storms of Silence, and somewhat surprised by the author's departure from his usual topics.

**Storms Of Silence (Original Mix)**

In Storms of Silence Joe Simpson recalls the severe snowstorm which put an end to an attempt with four others on Gangchempo and the infection which forced him to abandon the climb on Cho Oyu in Tibet. During that expedition he has a disturbing encounter with a party of political refugees and a 4-year-old boy fleeing across the Tibetan border.

### **Storms Of Silence (Original Mix)**

Storm and Silence is a PG-rated book that I had fun with, it was witty, funny, and enlightening. Although this took place in the past, it was written in a way that can be enjoyed by everyone. Their banter, their frustration, their stubbornness with each other is the main reason that I enjoyed this book.
