The Encyclopedia of Social Work, 19th Edition is the field's most comprehensive reference work for the general knowledge base of the profession. Three volumes provide nearly 3,000 pages of information on virtually every aspect of social work.

Social work is a profession that began its life as a call to help the poor, the destitute and the disenfranchised of a rapidly changing social order. It continues today still pursuing that quest, perhaps with some occasional deviations of direction from the original spirit. Social work practice is the primary means of achieving the profession's ends.
