Fun Activity Book: Where's Wally? In Outer Space ...

6 of history's strangest ever theories about outer space. On 4 October 1957, the Soviet Union's famous satellite Sputnik was launched into orbit, and the space age began.

Wally and his friends are jetting off to outer space and you can join them in this great activity book. Just like the traditional Where's Wally books, there's plenty of things to find and search for and all the regular Wally cast are there but this book is a little different as it's an activity book too.
